

LETTERS TO LAWMAKERS — WHY I ♥ MY CHARTER SCHOOL!

INSTRUCTIONS FOR EDUCATOR & PARENT LETTERS TO LAWMAKERS

Hand-written letters and emails are a great way to connect with your state lawmakers, and our plan is to gather as many personal connections from charter students, parents, and educators as we can! We will then hand deliver them to as many of the lawmakers' offices as possible.

EDUCATOR & PARENT TEMPLATE: PAGE 2-AI MAKES IT EASY!

Complete your email by following instructions on page 2. Why not use a portion of your next staff, board, or PTA meeting to email your lawmakers! It takes 5 minutes or less! Don't forget to BCC grassroots@charterschools.org

STUDENT TEMPLATE: PAGE 3- GET CREATIVE!

For students too young to email: Students of ALL ages are encouraged to participate! Download and print page 3. Have students write a few sentences, include a drawing, use bright colors - just make sure they share one reason why they love their school!

WHY I ♥ MY CHARTER SCHOOL!

LEARNER CHOICE STORYTELLING CAMPAIGN

WHY NOW?!?

Lawmakers are negotiating the 2027 budget NOW, making decisions that shape learner choice, funding, and innovation. They need to hear from their constituents why learner choice matters. This is in place of our traditional activations we've done in the past.

ONE STUDENT. ONE STORY.

Here's where you come in! Learner Choice is as simple as one student, and one story, where learner choice made a difference.

LEARNER CHOICE!**

SHARE YOUR STORY

EASY WITH AI

Use the custom ChatGPT to make emailing your lawmaker as easy as possible. We tested and it takes 5 minutes tops!

WOULD YOU RATHER VIDEO YOURSELF?

Use the AI prompt to create a script, and face a window, use something to steady your phone, and hit record! Then email the video to your lawmakers.

**Our goal is 50 unique emails by
Charter Schools Week!**
